STANDING HEARING OFFICER DIRECTIVE

DOCKET NOS. 2014-393-S and 2009-238-S ORDER NO. 2015-7-H

FEBRUARY 12, 2015

Standing Hearing Officer: David Butler

DOCKET DESCRIPTION:

Village Overlook Condominium Association, Complainant/Petitioner v. JACABB Utilities, LLC, Defendant/Respondent

Application of Jacabb Utilities, LLC for Approval of a Contract with The Cliffs at Mountain Park, LLC to Service the Cliffs at Mountain Park Development

MATTER UNDER CONSIDERATION:

Request of Village Overlook Condominium Association (VOCA) and JACABB Utilities, LLC (JACABB) for an extension of all pre-filing deadlines by one week

STANDING HEARING OFFICER'S ACTION:

VOCA and JACABB request a one-week extension of all pre-filing deadlines in Docket No. 2014-393-S. The Office of Regulatory Staff consents to the request. Commission Order No. 2014-883 combined Docket No. 2014-393-S with Docket No. 2009-238-S for hearing purposes, and the pre-filing dates are the same for both dockets. Accordingly, the request for a one week extension of pre-filing deadlines in one docket is tantamount to a request for the extension in both dockets. Accordingly, my ruling will be effective for both dockets. The request is granted. Extending the pre-filing deadlines by one week will allow the parties further discussion time in these complex cases. Accordingly, The Complainant's pre-filing date is extended from February 12, 2015 to February 19, 2015;

The All Other Parties of Record pre-filing date is extended from February 26, 2015 to March 5, 2015;

The Complainant's Rebuttal Testimony pre-filing date is extended from March 5, 2015 to March 12, 2015;

The All Other Parties of Record Surrebuttal Testimony pre-filing date is extended from March 12, 2015 to March 19, 2015.

The other conditions (other than the dates) for pre-filing testimony and exhibits described in the Clerk's Office letter of November 5, 2014 remain in full force and effect.

The hearing in both dockets is still scheduled for Tuesday, March 24, 2015 at 10:30 AM.
